

**MA241L02**

**VHF Antenna with ratchet base & fibre glass shroud**

|                         |                               |
|-------------------------|-------------------------------|
| Type :                  | MA241L02                      |
| Frequency :             | 156 - 162                     |
| Description :           | Dipole type Fibre antenna     |
| Gain (dB) :             | 3                             |
| Termination :           | 6 m RG58 cable lateral output |
| Bracket :               | Plastic ratchet base          |
| Maximum Power (Watts) : | 50                            |
| Length (cm) :           | 130                           |
| Weight (kg) :           | 0,820                         |
