

CWT-MKS-BASE-xx

Wide Diameter Pole Top Mounting Bracket for Canister Antennas

Features

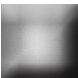

- Serves dual purpose of mounting canister and concealing cables
- Mounts to steel, wooden or concrete poles
- Canister attachment modified with more space to access the high number of ports
- Adjusts to pole diameters of 5.25" to 14.12"
- Available in multiple colors to match environment

Aesthetically pleasing mounting system for a variety of deployment scenarios.

The kit comes complete with the mounting hardware and the concealment shroud to seamlessly transition the antenna to the pole.

This wide diameter pole top mounting bracket kit covers a multitude of applications in urban and rural environments
